

Company Overview

Gallup's forward-thinking research, analytics, and advice help leaders around the world solve their most pressing problems. Combining more than 75 years of experience with our global reach, we know more about the attitudes and behaviors of the world's constituents, employees, and customers than any other organization. Gallup helps private and public organizations boost organic growth through measurement tools, strategic advice, and education. Our 2,000 professionals deliver services at client organizations, through the Web, and in nearly 40 offices around the world.

Gallup hires people who bring energy, enthusiasm, and the right talents to our unique workplace. Our associates are self-starters with a mission to achieve great things and to contribute to new ideas and fresh concepts that are rooted in profound research and refined intelligence. Through hard work and collaboration, Gallup associates strive to build great relationships with each other and in client organizations.

The Job Opportunity for: Consulting Special-Thailand
