

CMMU

Software and Database

By Piyapas Tharavaniij

Key points

- For our students, they're **FREE!!!!**.
- More! Very useful for your class reports, thematic papers and theses
- More? YES. You can even use and apply them in your work.
- A pity, really, if not to use.

Just a teaser!!!

KEY! To the Treasure

- Your Mahidol student account and password
Example: Piyapas Tharavanij
Account: piyapas.tha@student.mahidol.ac.th
- Don't lose your password. Keep it with you tight.
- You can access to all services after the first semester begins (unfortunately, not during the pre-course).
- Use this email to contact and connect to our services and databases.

Two types of services

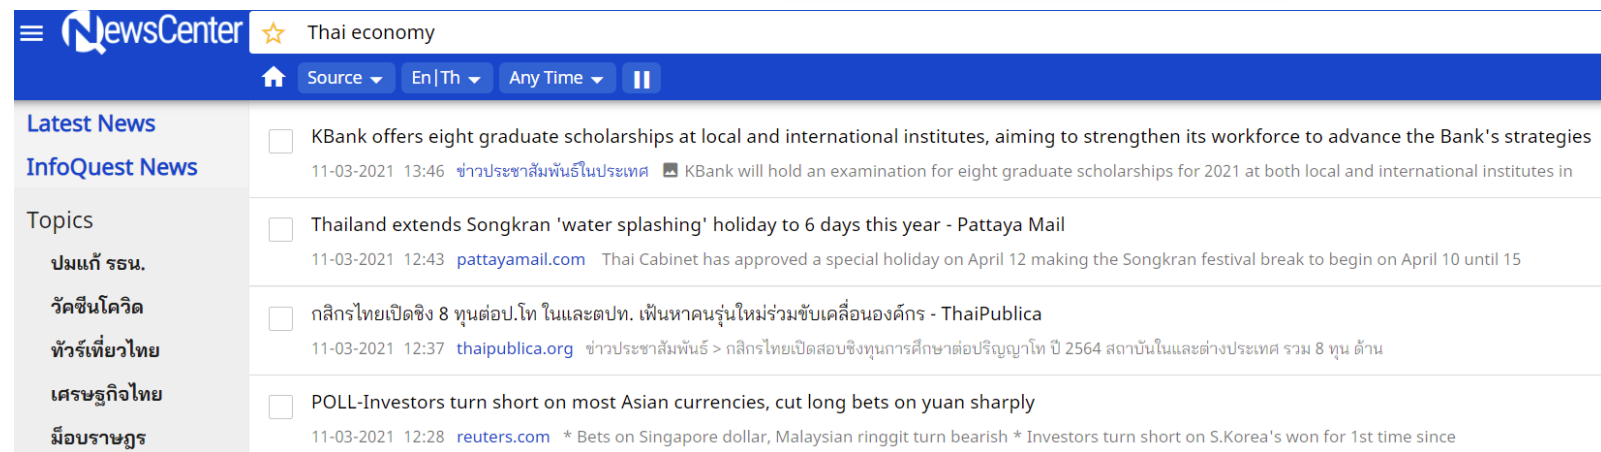

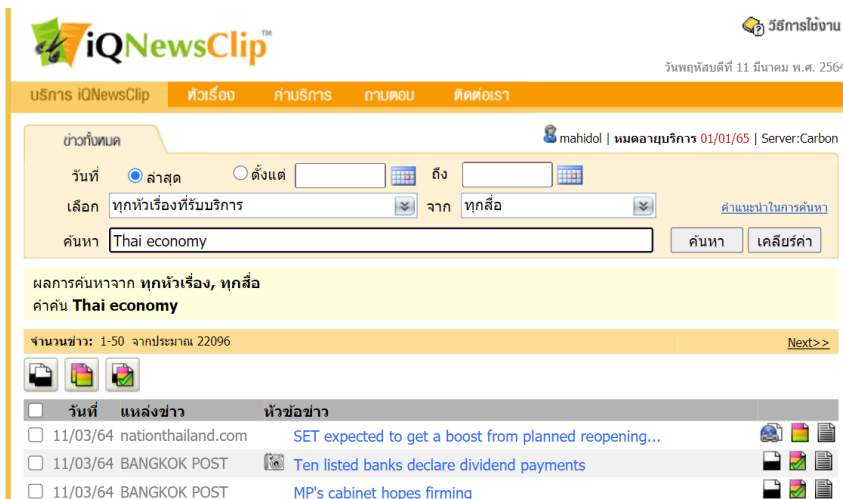

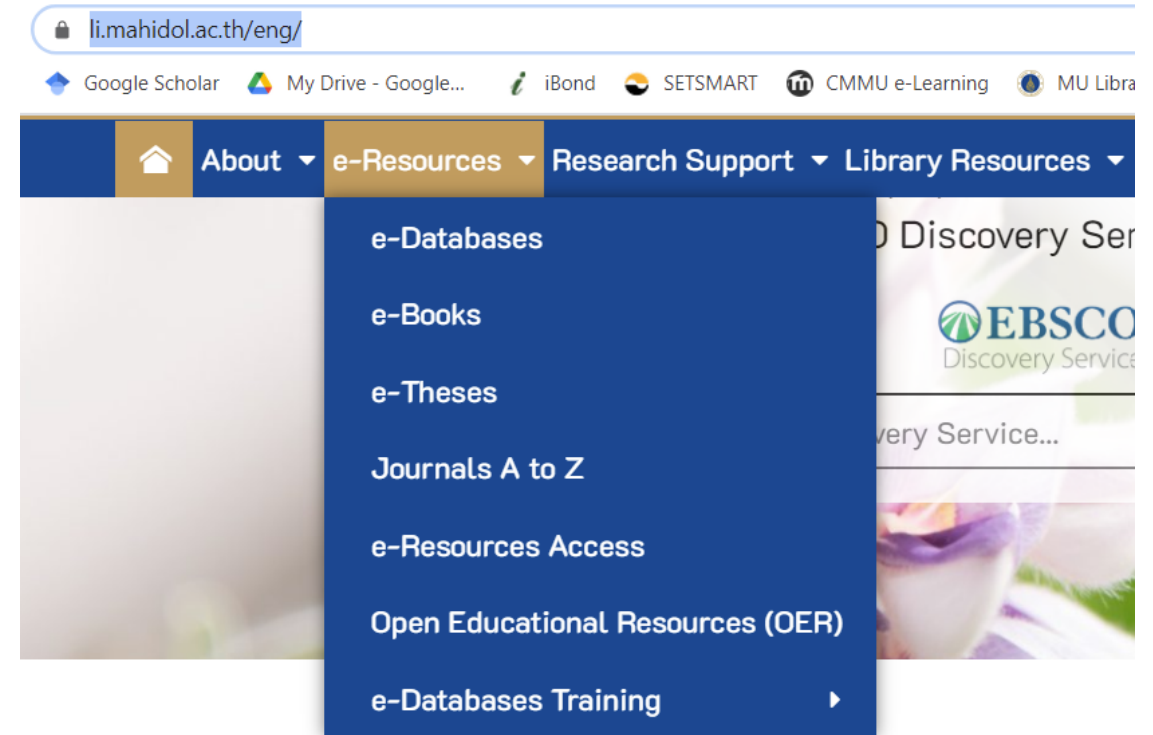

- Services for Individual
 - You have your own account.
 - Free to use at home or on the beach or in your camp
- At college services
 - For students available only at the college
 - Access at CMMU Library on the 3rd floor.

VPN (Virtual Private Network)

- To access, Mahidol online services at home, you need to access through VPN. See...
- <https://muit.mahidol.ac.th/vpn.htm>
- (The links are in Thai. There are no English version, unfortunately.)
- Example of benefits
 - ✓ Download licensed software
 - ✓ Access news databases
 - ✓ Access journal and book databases
